[Diana Palmer - Book Series In Order](#)

It made me realize that I had a few walnut trees (and unfortunately worked closely with a pretty big one) in my school that I spent time with, and they were turning me into one as well. Reading this brought it to my attention and really made me value those marigolds in my life, and the increased awareness helped me start working on getting rid of those negative tendencies in my own attitude ...

Jacob Hiller wasn't born a "natural" jumper. In High School he measured a 19" vertical leap at tryouts and barely made the team. Today he jumps over 40" and is one of the most sought after vertical jump specialists in the world. To date he has trained Amateur, Pro and Olympic level athletes in over 65 different countries.
